VOCATIONAL REHABILITATION SERVICES

Do you have a hard time hearing on the phone? Or hearing your coworkers or boss?

If you have a hearing impairment that affects your ability to prepare for, obtain, maintain or advance in employment, you may be eligible for VR services. Some examples of how VR can help you keep your job or assist you in preparing for or finding and retaining employment may include:

- hearing aids;
- cochlear implants and bone anchored hearing aids (BAHA);
- assistive technology;
- communication access services;
- employment assistance, and accommodations.
