

MISSION

Administered by the Texas Workforce Commission (TWC), College Credit for Heroes is a workforce development initiative designed to recognize the exceptional knowledge and skills gained by veterans and service members, award these individuals college credits for their military experience, and accelerate degree, workforce certificate, and licensing programs, allowing them to more easily re-enter the workforce.

“While we can never fully thank veterans for their service to our nation, I am proud of the steps we have taken to help veterans and military service members transition to civilian life by applying their skills and experience to help them graduate more quickly and save money on tuition.”

- **Gov. Rick Perry**

“The College Credit for Heroes program ensures veterans have the opportunity to receive the academic and workforce credits they deserve based on their military experience and training.”

- **Texas Sen. Leticia Van de Putte,
Veterans Affairs and Military Installation
Committee Chair**

“The College Credit for Heroes program will maximize the college credit that can be granted to these heroes for their military training and occupational experience.”

- **TWC Chairman and Commissioner
Representing the Public Andres Alcantar**

“College Credit for Heroes will enable our returning veterans to establish credentials qualifying them for work in a variety of occupational fields, allowing them faster entry into rewarding careers.”

- **TWC Commissioner Representing Labor
Ronny Congleton**

“Texas is home to nearly 450,000 Iraq and Afghanistan veterans who possess the skills and experience Texas employers need. The College Credit for Heroes program increases employment opportunities for our heroes and gives employers access to a more qualified workforce.”

- **TWC Commissioner Representing
Employers Hope Andrade**

COLLEGE CREDIT FOR HEROES

Awarding college credit for
military experience

WHAT IS COLLEGE CREDIT FOR HEROES?

Texas colleges and universities partner with the Texas Workforce Commission College Credit for Heroes initiative to award college credit, workforce certifications and workforce licenses for military experience.

The initiative created www.collegecreditforheroes.org, a web-based application and database for veterans and service members to receive an official evaluation of credit that can be used at colleges and universities throughout the state. College Credit for Heroes also develops accelerated curricula for in-demand career fields such as Emergency Medical Services, Surgical Technology, Respiratory Therapy, Nursing, Information Technology, Firefighting, Advanced Manufacturing, Logistics, Wind Engineering and Oil Field Technology.

Accelerated Emergency Services Program

TEXAS STATE TECHNICAL COLLEGE - HARLINGEN

Streamlined Certification and Associate's Degree in Wind Energy Technology

IDENTIFY YOUR COLLEGE CREDITS WITH OUR EVALUATION TOOL WWW.COLLEGEcreditforHEROES.ORG

FOLLOW THESE SIMPLE STEPS TO GET STARTED:

1. Register as a guest for limited access to the CCH portal or register as a user for full access. Use CCH's powerful search functions to receive an immediate estimate of credits based on your military occupation and the service schools you attended.
2. Request an evaluation of military educational experience. Log in to your account at any time to check the status of your requests; communicate with CCH staff; and upload, view and download military evaluation results and related documents.
3. Request an official transcript to be sent to a Texas college or university of your choice. Contact the college to determine what credits will be accepted toward your program of study. If you attended other colleges, you may be asked to provide official transcripts.
