Disaster Unemployment Aid Now Available for Cameron County

FEMA 4245-DR amended to add Cameron County for individual assistance

AUSTIN – Victims of flooding in Cameron County may now apply for [Disaster Unemployment Assistance](#) (DUA) with the Texas Workforce Commission (TWC) as a result of an amendment to the Presidential Disaster Declaration (FEMA 4245-DR). Workers who lost their jobs and self-employed individuals who have been unable to work due to flooding in Cameron County may apply for Individual Assistance.

Applications for DUA must be submitted by Jan. 11, 2016 for residents of Cameron County. DUA is available for workers who lost their jobs and self-employed individuals who have been unable to work due to damage sustained from the severe storms, tornadoes, straight-line winds and flooding. Severe weather, including destructive flooding, has devastated multiple counties and hundreds of homes and businesses have been lost, resulting in disaster-related unemployment.

Individuals affected by the recent severe storms in these counties can apply for benefits online through [Unemployment Benefit Services](#) or by calling a TWC Tele-Center, Monday through Friday between 8 a.m. and 5 p.m. at 800-939-6631. Individuals should specify that their applications are related to the damage caused by severe storms, tornadoes, straight-line winds and flooding in one of the counties listed in the amended disaster declaration. In these designated areas, affected individuals can find the nearest FEMA DRC by entering their zip code in the [Disaster Recovery Center Locator](#).

Flood victims can also visit any Workforce Solutions office to apply for DUA. Victims of the floods in counties listed below must submit DUA applications by the following deadlines:

- Bastrop, Brazoria, Caldwell, Comal, Galveston, Guadalupe, Hardin, Harris, Hays, Hidalgo, Liberty, Navarro, Travis, Willacy and Wilson – Jan. 6, 2016

Applications for DUA filed after the January 2016 deadlines will be considered untimely, unless the individual provides good cause for applying late.

-more-

DUA, which is unemployment insurance benefits made available especially for victims of disaster, is available to individuals who:

- Have applied for and used all regular unemployment benefits from any state, or do not qualify for unemployment benefits
- Worked or were self-employed or were scheduled to begin work or self-employment in the disaster area
- Can no longer work or perform services because of physical damage or destruction to the place of employment as a direct result of the disaster
- Establish that the work or self-employment that can no longer be performed was their primary source of income
- Cannot perform work or self-employment because of an injury as a direct result of the disaster
- Became the breadwinner or major support of a household because of the death of the head of household

To receive DUA benefits, all required documentation must be mailed or faxed within 21 days from the day the DUA application is filed. Required documentation includes Social Security number, a copy of the most recent federal income tax form or check stubs, or documentation to support that affected individuals were working or self-employed when the disaster occurred.

Send documentation to: Texas Workforce Commission, UI Support Services Department, Attn: DUA, 101 E. 15th St., Room 354, Austin, TX, 78778-0001, or fax it to 512-936-3250.

Job seekers may visit Texas workforce centers for access to job-search resources, job postings and training programs, as well as assistance with exploring career options, resume and application preparation, career development and more. Customers may also connect with potential employers through TWC's online job-search website at WorkinTexas.com.
