Job Match - Matching Option Details [Help](#)

 **Minimum Pay:** Your earnings history indicates that you should at least consider jobs paying \$8.00 or more. Your minimum pay can not be more than this amount. The amount you entered may limit your job matches. This could affect your availability for work and your right to UI benefits. If you have questions, please read about [TWC Policy](#) regarding a claimant's pay requirement or contact a [TWC Tele-Center](#).

Tips:

- Matching Options are different combinations of pay, location, and time you want to work.
- You may have up to five Matching Options with unique names.
- You can update your Matching Options at any time.

Matching Option Name: * Option One
