

Summary of Changes to Adult Education and Literacy Performance-Based Funding Measures

Measure Approved on May 13, 2014	Change Approved on March 31, 2015	Summary of Changes
<p>Measure A: <i>Total Served with 12+ Hours</i></p> <p>Description: 30% of performance funding awarded for grantee meeting 60% of its contracted Total Served with 12+ Hours target, by the end of quarter 2.</p>	<p>This measure has been waived.</p>	<p>The Commission approved a one-time waiver of this measure, and funds will be distributed to all grant recipients. Grant recipients that met this measure will receive a one-time incentive payment proportional to their total allocation.</p>
<p>Measure B: <i>Educational Gains</i></p> <p>Description: 35% of performance funding based on grantee achieving an average of 100% of target across the 11 US Department of Education Core Outcome Educational Gain measures with performance on each of the 11 measures achieving at least 95% of target.</p>	<p>35% of performance funding based on grantee achieving an average of 100% 95% of target across the 11 US Department of Education Core Outcome Educational Gain measures with performance on each of the 11 measures achieving at least 95% of target.</p>	<p>Grant recipients must meet an average of 95% of target across all 11 US Department of Education Core Outcome Educational Gain measures only. There is no minimum percent of target for each individual measure.</p>
<p>Measure C: <i>Transition and Career Pathway Class Enrollment</i></p> <p>Description: 35% of performance funding for grantee achieving at least 95% of the negotiated transition class enrollments and the career pathway enrollments by June 30, 2015. Enrollment is constituted by a pretested student receiving 12 or more contact hours.</p>	<p>35% of performance funding for grantee achieving at least 95% of both the its negotiated transition class enrollments and the 95% of its career pathway enrollments by June 30, 2015. Enrollment is constituted by a pretested student receiving 12 or more contact hours.</p>	<p>Language has been modified to clarify that grant recipients must meet 95% of both their transition class target and their career pathway enrollment target.</p>
