

**COLLEGE CREDIT
FOR HEROES**

Helping veterans move from
military to workforce.

• **CCH** College Credit for Heroes

Program Mission

The College Credit for Heroes (CC4H) program seeks to maximize college credits awarded to veterans and service members for their military experience and training by developing streamlined degree paths, licensing and workforce certifications to expedite transition into the Texas workforce.

CC4H was initiated in 2011 and has expanded through four phases to include regions across the state.

Program Concept

In the last 5 years, TWC has piloted the CC4H program by focusing on 3 areas for maximizing the amount of credits awarded.

1. Online Web Portal—www.CollegeCreditforHeroes.org
2. Network of CC4H Partner Schools
3. Acceleration Curricula

College Credit for Heroes Website

- www.collegecreditforheroes.org, a web-based database for veterans and service members to get additional college credit hours with a transcript that can be used at colleges throughout the state.
- As of February 1, 2016 the site has more than 100,000 visits, 70,000 users and over 12,000 requests for evaluations.
- After 4 years of operation, an average of 25 credit hours are recommended per veteran.
