Subject: Texas Prekindergarten Partnership Summit Travel Reimbursement  

PURPOSE:  
The purpose of this WD Letter is to provide Local Workforce Development Boards (Boards) with guidance on Texas Workforce Commission (TWC)–funded travel reimbursement for costs associated with attending the Texas Prekindergarten Partnership Summit (Summit).

RESCISSIONS:  
None

BACKGROUND:  
On September 24, 2019, TWC’s three-member Commission (Commission) approved up to $65,000 in funding to support Boards’ attendance at the Summit on March 30–31, 2020, in Houston, Texas.

House Bill (HB) 3, 86th Texas Legislature, Regular Session (2019) allows for lead education agencies (LEAs) to offer pre-K services through public-private partnerships. Pre-K services may be offered through 3- or 4-star Texas Rising Star early learning programs.

To facilitate the development of public-private partnerships, TWC and the Texas Education Agency collaborated on training and coordination activities and identified the opportunity to leverage an event at Texas’ Region 4 Education Service Center (ESC) with funding support from the W. K. Kellogg Foundation.

Each local workforce development area may send a team of three to five individuals to the Summit, depending on the size of the Board. TWC sent formal invitations to Boards on January 15, 2020, including information about registration for the event.
