

## **Chapter 800. GENERAL ADMINISTRATION**

The Texas Workforce Commission (Commission) proposes the repeal of and new Chapter 800 General Administration §800.2, relating to definitions.

Purpose: The purpose of the amendment is to clarify terms utilized in the Commission's rules which are contained in Title 40, Part 20, Chapter 800 et seq. of the Texas Administrative Code.

More specifically, one purpose of the amendment is to provide clarity regarding the role of the Commission and the role of the Agency in implementing the mission of the Texas Workforce Commission. The rule clarifies that "Agency" refers to the daily operations of the Texas Workforce Commission under the direction of the executive director, and the term "Commission" refers to the three-member body of governance composed of Governor-appointed members.

For the purpose of clarity and conformity with more recent references and terms the following definitions are included in the general definitions section:

Agency, Allocation, Board, Child Care, Choices, Commission, Core Outcome Measures, Executive Director, Food Stamp Employment and Training, One-Stop Service Delivery Network, Performance Measure, Performance Standard, Program Year, TANF, TCWEC, Texas Workforce Center Partner, WIA, and Local Workforce Development Area.

Randy Townsend, Director of Finance, has determined that for each year of the first five years the rule will be in effect, the following statements will apply:

there are no additional estimated costs to the state and to local governments expected as a result of enforcing or administering the rule;

there are no estimated reductions in costs to the state and to local governments as a result of enforcing or administering the rule;

there are no estimated losses or increases in revenue to the state or to local governments as a result of enforcing or administering the rule;

there are no foreseeable implications relating to costs or revenue of the state or local governments as a result of enforcing or administering the rule; and

there are anticipated economic costs to persons required to comply with the rules.

Mr. Townsend has also determined that there is no anticipated adverse impact on small businesses as a result of enforcing or administering the rule because small businesses are not regulated or required to do anything by the rule.

Mark Hughes, Director of Labor Market Information, has determined that there is no foreseeable negative impact upon employment conditions in this state as a result of the proposed amendment.

Barbara Cigainero, Director of Workforce Development, has determined that the public benefit anticipated as a result of the rules as proposed will be to clarify and improve the state and local partnership in policy making and service delivery that will ensure that recipients of temporary cash assistance receive services to aid them in assuming their responsibility to move quickly into work or work activities leading to self-sufficiency.

Comments on the proposed rules may be submitted to Barbara Cigainero, Director of Workforce Development, Texas Workforce Commission, 101 East 15th Street, Room 504-T, Austin, Texas 78778; Fax Number 512-463-2209; E-mail to Barbara.Cigainero@twc.state.tx.us.

Comments must be received by the Commission no later than thirty days from the date this proposal is published in the *Texas Register*.
