

TEXAS WORKFORCE COMMISSION MEETING

The Texas Workforce Commission will attend the Regional Education Outreach Teams Networking Event. The event will begin at:

6:00 p.m.
Wednesday, July 26, 2023
6015 Dillard Circle, Suite A
Austin, TX 78752

Texas has 20 regional Education Service Centers, staffed by teams whose mission is to help improve student performance, assist schools in streamlining operations, and implement initiatives from the Texas Legislature or Texas Education Agency. This casual event will give the Education Outreach teams from those service centers the opportunity to meet each other and agency staff.
