8 The Texas Workforce Commission (TWC) proposes new Chapter 839, relating to
9 Apprenticeship Programs - Additional, including the following subchapter:

10
11 Subchapter A. Tax Refund Pilot Program for Certain Persons Who Employ
12 Apprentices, §§839.10 - 839.17

13
14 **PART I. PURPOSE, BACKGROUND, AND AUTHORITY**

15 The purpose of the Chapter 839, Subchapter A rules is to implement Senate Bill (SB)
16 1524 from the 87th Texas Legislature, Regular Session (2021).

17
18 SB 1524 amended Texas Tax Code, Chapter 151, Subchapter I to add new §151.4292,
19 Tax Refund Pilot Program for Certain Persons Who Employ Apprentices, effective
20 January 1, 2022.

21
22 Texas Tax Code, §151.4292(a) defines "executive director" and "qualified
23 apprenticeship."

24
25 Texas Tax Code, §151.4292(b) stipulates that a person employing at least one apprentice
26 for at least seven months during a calendar year may be eligible for a tax refund if
27 certified by the executive director. The apprentice is not considered employed under
28 Texas Tax Code, §151.4292:

29 --after the earlier of:

30 --the fourth anniversary of employment in the position; or

31 --the conclusion of the term of the apprenticeship position; or

32 --if the apprentice was employed in another position by the employer immediately before
33 beginning employment in the apprenticeship position.

34
35 Texas Tax Code, §151.4292(c) stipulates that the amount of refund for each apprentice
36 described by Texas Tax Code, §151.4292(b) shall be \$2,500.

37
38 Texas Tax Code, §151.4292(d) stipulates that the total amount of the refund under Texas
39 Tax Code, §151.4292 for a calendar year shall be equal to the lesser of:

40 --the amount from Texas Tax Code, §151.4292(c) for the calendar year for each

41 apprentice described by Texas Tax Code, §151.4292(b), but not to exceed the maximum
42 number of apprentices allowed by Texas Tax Code, §151.4292(e); or

43 --the amount of sales and use taxes paid by the person during the calendar year.

44
45 Texas Tax Code, §151.4292(e) stipulates that a person may receive a refund in a calendar
46 year for a maximum of:

- 1 --one apprentice; or
- 2 --not more than six apprentices if at least half are:
 - 3 --foster children who have or are transitioning to independent living as described in
 - 4 Texas Family Code, §264.121;
 - 5 --military veterans as defined by Texas Occupations Code, §55.001;
 - 6 --military spouses as defined by Texas Occupations Code, §55.001; or
 - 7 --women.

8
9 Texas Tax Code, §151.4292(f) requires the executive director to create an application for
10 certification to receive a tax refund under Texas Tax Code, §151.4292. Those persons
11 who wish to receive the tax refund shall apply to the executive director for certification
12 under Texas Tax Code, §151.4292. Only persons certified under Texas Tax Code,
13 §151.4292 by the executive director may apply to the comptroller for the refund set forth
14 by Texas Tax Code, §151.4292.

15
16 Texas Tax Code, §151.4292(g) limits the executive director to providing certification for
17 not more than 100 persons in a calendar year. If the number of applicants in a calendar
18 year exceeds this limit, the executive director shall select applicants to certify using
19 criteria set forth in Texas Tax Code, §151.4292(h).

20
21 Texas Tax Code, §151.4292(h) requires the executive director to adopt rules establishing
22 merit-based criteria for selecting persons to certify for eligibility to apply to the
23 comptroller for the tax refund under Texas Tax Code, §151.4292. The executive director
24 must give preference to applicants who:

- 25 --offer qualifying apprenticeships in areas of Texas not designated by the United States
- 26 Office of Management and Budget as metropolitan statistical areas; and
- 27 --provide training and skills development in emerging or developing occupational fields.

28
29 Texas Tax Code, §151.4292(i) requires the executive director to issue a certificate that
30 confirms eligibility to apply for the tax refund to each person certified under Texas Tax
31 Code, §151.4292(f).

32
33 Texas Tax Code, §151.4292(j) stipulates that a person must apply for the refund under
34 Texas Tax Code, §151.4292 to the comptroller. The application must include the
35 certificate issued by the executive director and any other information required by the
36 comptroller.

37
38 Texas Tax Code, §151.4292(k) requires the executive director to prepare and deliver a
39 report that evaluates the effectiveness of the Tax Refund Pilot Program on employment
40 outcomes and earnings for apprentices with respect to the refunds that are granted under
41 Texas Tax Code, §151.4292. The report must recommend whether the program should be
42 "continued, expanded, or terminated." The report must be delivered to the governor,
43 lieutenant governor, speaker of the house of representatives, and presiding officer of each
44 legislative standing committee with primary jurisdiction over taxation, no later than
45 September 1, 2024.

1 Texas Tax Code, §151.4292(l) states that a person applying for a refund under Texas Tax
2 Code, §151.4292 shall provide to the executive director such information requested to
3 prepare the report required by §151.4292(k).

4
5 Texas Tax Code, §151.4292(m) stipulates that the section shall expire December 31,
6 2026.

7 8 **PART II. EXPLANATION OF INDIVIDUAL PROVISIONS**

9 10 **SUBCHAPTER A. TAX REFUND PILOT PROGRAM FOR CERTAIN PERSONS** 11 **WHO EMPLOY APPRENTICES**

12 TWC proposes new Subchapter A as follows:

13 14 **§839.10. Purpose and Goal**

15 New §839.10 states the purpose and goal for Chapter 839, Subchapter A.

16 17 **§839.11. Definitions**

18 New §839.11 defines the terms used in Chapter 839, Subchapter A.

19 20 **§839.12. Tax Refund Pilot Program Provisions**

21 New §839.12 states that TWC's executive director shall provide certificates for
22 individuals eligible to apply for tax refund under Chapter 839, Subchapter A. Section
23 839.12 also describes limitations on the amount of such refund that each eligible person
24 may qualify for under Chapter 839, Subchapter A, including that such refund shall not
25 total more than the sales and use tax owed for previous year.

26 27 **§839.13. Eligibility for Persons Employing Apprentices**

28 New §839.13 states that only those active apprentices may be considered who were
29 engaged with an employer for not less than seven months in the prior year (and not more
30 than four total years) for which the employer is applying for the tax refund.

31 32 **§839.14. Application for Certification**

33 New §839.14 describes the process for which persons may apply for certification through
34 TWC. Section 839.14 also states that only applications received from January 1 through
35 March 31 each year will be reviewed for certification.

36 37 **§839.15. Certification of Eligibility**

38 New §839.15 describes merit-based criteria to be used by TWC's executive director.
39 Section 839.15 states that TWC will review applications from April 1 through May 31
40 each year. Section 839.15 also describes the delivery of the report on TWC-certified
41 persons to the comptroller, on June 1 each year.

42 43 **§839.16. Limitations**

44 New §839.16 states that TWC's executive director may certify up to 100 persons for
45 eligibility for tax refund under Chapter 839, Subchapter A each year. Section 839.16

1 clarifies that a person may be certified with one apprentice each year, or up to six if not
2 less than half of such apprentices are included in a listed priority category.

3
4 **§839.17. Tax Refund Pilot Program Expiration**

5 New §839.17 states that Texas Tax Code, §151.4292 expires on December 31, 2026.

6
7 **PART III. IMPACT STATEMENTS**

8 Chris Nelson, Chief Financial Officer, determined that for each year of the first five years
9 the rules will be in effect, the following statements will apply:

10
11 There are no additional estimated costs to the state and to local governments expected as
12 a result of enforcing or administering the rules.

13
14 There are no estimated cost reductions to the state and to local governments as a result of
15 enforcing or administering the rules.

16
17 There are no estimated losses or increases in revenue to the state or to local governments
18 as a result of enforcing or administering the rules.

19
20 There are no foreseeable implications relating to costs or revenue of the state or local
21 governments as a result of enforcing or administering the rules.

22
23 There are no anticipated economic costs to individuals required to comply with the rules.

24
25 There is no anticipated adverse economic impact on small businesses, microbusinesses,
26 or rural communities as a result of enforcing or administering the rules.

27
28 Based on the analyses required by Texas Government Code, §2001.024, TWC
29 determined that the requirement to repeal or amend a rule, as required by Texas
30 Government Code, §2001.0045, does not apply to this rulemaking.

31
32 **Takings Impact Assessment**

33 Under Texas Government Code, §2007.002(5), "taking" means a governmental action
34 that affects private real property, in whole or in part or temporarily or permanently, in a
35 manner that requires the governmental entity to compensate the private real property
36 owner as provided by the Fifth and Fourteenth Amendments to the United States
37 Constitution or the Texas Constitution, Article I, §17 or §19, or restricts or limits the
38 owner's right to the property that would otherwise exist in the absence of the
39 governmental action, and is the producing cause of a reduction of at least 25 percent in
40 the market value of the affected private real property, determined by comparing the
41 market value of the property as if the governmental action is not in effect and the market
42 value of the property determined as if the governmental action is in effect. TWC
43 completed a Takings Impact Analysis for the proposed rulemaking action under Texas
44 Government Code, §2007.043. The primary purpose of this proposed rulemaking action,
45 as discussed elsewhere in this preamble, is to establish a tax refund pilot program to
46 implement SB 1524.

1
2 The proposed rulemaking action will not create any additional burden on private real
3 property or affect private real property in a manner that would require compensation to
4 private real property owners under the United States Constitution or the Texas
5 Constitution. The proposal also will not affect private real property in a manner that
6 restricts or limits an owner's right to the property that would otherwise exist in the
7 absence of the governmental action. Therefore, the proposed rulemaking will not cause a
8 taking under Texas Government Code, Chapter 2007.

9
10 Government Growth Impact Statement

11 TWC determined that during the first five years the rules will be in effect, they will not:
12 --create or eliminate a government program;
13 --require the creation or elimination of employee positions;
14 --require an increase or decrease in future legislative appropriations to TWC;
15 --require an increase or decrease in fees paid to TWC;
16 --create a new regulation;
17 --expand, limit, or eliminate an existing regulation;
18 --change the number of individuals subject to the rules; and
19 --positively or adversely affect the state's economy.

20
21 Economic Impact Statement and Regulatory Flexibility Analysis

22 TWC determined that the rules will not have an adverse economic impact on small
23 businesses or rural communities, as the proposed rules place no requirements on small
24 businesses or rural communities.

25
26 Mariana Vega, Director, Labor Market Information, determined that there is not a
27 significant negative impact upon employment conditions in the state as a result of the
28 rules.

29
30 Courtney Arbour, Director, Workforce Development Division, has determined that for
31 each year of the first five years the rules are in effect, the public benefit anticipated as a
32 result of enforcing the proposed rules will be to provide a sale and use tax refund to
33 certain persons who employ apprentices enrolled in a qualifying apprenticeship, as set
34 forth in Texas Tax Code, §151.4292.

35
36 TWC hereby certifies that the proposal has been reviewed by legal counsel and found to
37 be within TWC's legal authority to adopt.

38
39 **PART IV. COORDINATION ACTIVITIES**

40 In the development of these rules for publication and public comment, TWC sought the
41 involvement of Texas' 28 Local Workforce Development Boards (Boards). TWC
42 provided the policy concept regarding the new rules to the Boards for consideration and
43 review on March 22, 2022. TWC also conducted a conference call with Board executive
44 directors and Board staff on March 25, 2022, to discuss the policy concept. During the
45 rulemaking process, TWC considered all information gathered in order to develop rules
46 that provide clear and concise direction to all parties involved.

PART VI. STATUTORY AUTHORITY
