

1 **TEXAS WORKFORCE COMMISSION**
2 **Adult Education and Literacy Letter**

ID/No:	AEL 06-20
Date:	September 11, 2020
Keyword:	AEL; Natural Disaster
Effective:	Immediately

3 **To:** Adult Education and Literacy Grant Recipients
4 Adult Education and Literacy Special Project Grantees
5 Local Workforce Development Board Executive Directors
6 Commission Executive Offices
7 Integrated Service Area Managers

8 

9 **From:** Courtney Arbour, Director, Workforce Development Division

10 **Subject:** Adult Education and Literacy Services and Reporting during the COVID-19
11 Pandemic Period

12
13 **PURPOSE:**

14 The purpose of this Adult Education and Literacy (AEL) Letter is to provide AEL
15 grantees¹ with information and guidance on the Texas Workforce Commission
16 (TWC)AEL program’s response to AEL programs with service delivery challenges
17 resulting from the COVID-19 pandemic (pandemic) closures. Additionally, this AEL
18 Letter introduces a new reporting requirement.

19 **RESCISSIONS:**

20 None

21 **BACKGROUND:**

22 Governor Greg Abbott declared Texas a disaster site on March 13, 2020, in response to
23 the pandemic. The declaration brought about the closure of most educational and
24 workforce development institutions across the state. AEL grantees and their providers
25 responded by transitioning service delivery from on-site locations to distance and remote
26 delivery platforms. These events required changes to most aspects of service delivery,
27 including modifying education and training services and testing for performance
28 accountability measures and follow-up services, all of which rely almost exclusively on
29 on-site, in-person activities.
30

¹ For the purposes of this AEL Letter, AEL grantees are entities that receive AEL funds through the Texas Workforce Commission (TWC).

1 With support from the statewide AEL professional development and resource center—the
2 Texas Center for the Advancement of Literacy and Learning (TCALL)—TWC and AEL
3 took immediate steps to provide AEL grantees with additional resources and guidance on
4 providing uninterrupted service delivery as brick-and-mortar institutions closed
5 statewide. From the onset of the pandemic, TWC AEL communicated to grantees and
6 providers the need to continue serving AEL participants and new students without
7 concern for the likely negative impact to federal and state performance accountability
8 measures. This focus on continued and modified service delivery extended from TWC
9 leadership to all TWC-administered programs in which employer, employee, and
10 community services were affected.

11
12 This AEL Letter provides a timeline of the funding and resources that were made
13 available to AEL grantees during the initial pandemic period in Texas in March and April
14 2020, as well as a new reporting requirement implemented to provide TWC with up-to-
15 date information on the continued needs of grantees during the pandemic period.

16 17 **PROCEDURES:**

18 **No Local Flexibility (NLF)**: This rating indicates that AEL entities must comply with
19 the federal and state laws, rules, policies, and required procedures set forth in this AEL
20 Letter and have no local flexibility in determining whether and/or how to comply. All
21 information with an NLF rating is indicated by “must” or “shall.”

22 **Local Flexibility (LF)**: This rating indicates that AEL entities have local flexibility in
23 determining whether and/or how to implement guidance or recommended practices set
24 forth in this AEL Letter. All information with an LF rating is indicated by “may” or
25 “recommend.”

26 **Communications on Pandemic-Related Actions**

27 **NLF**: AEL grantees must be aware of consistent communications that TWC staff has been
28 making available to grantees and their providers during the pandemic.

29 **AEL Pandemic Resource Page**

30 On March 13, 2020, the same day Governor Abbott declared a statewide disaster,
31 TCALL launched the TWC AEL pandemic resource web page for AEL providers and
32 students at <https://tcall.tamu.edu/>. The page provides an organized list of resources for
33 program directors and instructors to assist and share with students during the transition,
34 including pandemic resource websites, frequently asked questions and answers,
35 information on serving students at a distance, remote testing information, a distance
36 learning help desk, distance learning curriculum providers, and free internet provider
37 options. The page also provides AEL guidance on how to serve current and new AEL
38 students enrolling in the program while brick-and-mortar facilities are closed or operating
39 at a limited capacity.

40 The resource page offers AEL students easy access to information on the following
41 topics:

- 42 • Protection from COVID-19, made available in several languages

- AEL class schedules
- The closure status of local high school equivalency testing centers
- Instructions for applying for unemployment benefits through TWC's website
- Various learning resources for adult students and their family members

During the ever-changing pandemic situation, TCALL continues to add resources to the AEL pandemic resource web page that are relevant to AEL providers and students.

Surveys and Transmittals

Beginning on March 12, 2020, AEL sent out weekly, then biweekly, surveys to AEL grantees, covering the pandemic's impact on service-delivery operations as well as the status of remote instruction options that grantees were able to make available to AEL participants. AEL used responses from these surveys to develop pandemic-related guidance and to receive information on anticipated AEL grant expenditures.

On March 16, 2020, TWC AEL began to circulate AEL transmittal emails on pandemic response topics to grantees and providers.

Videoconferencing

On March 19, 2020, TWC AEL staff began conducting weekly videoconference calls to alert field offices of agency updates and answer questions related to transition needs, including questions about full-time distance and remote services and allowable costs related to pandemic response expenses. The videoconference calls are posted on the TCALL pandemic resource web page.

Distance Learning Curriculum Volunteer Help Desk

On March 20, 2020, TCALL developed the TWC AEL Distance Learning Curriculum Volunteer Help Desk for Teachers (help desk) to serve as a resource for instructors developing distance learning curricula. This resource is published on the TCALL pandemic resource web page at https://tcall.tamu.edu/docs/TCALL-AEL-DistanceLearningCurriculumHelpDeskAvailability_32020_nophone.pdf.

Pandemic-Related Guidance

NLF: AEL grantees must be aware of the following unique guidance on service delivery and grant management during the pandemic period. Grantees expressed the immediate need for guidance and best-practice implementation for remote service delivery, and TWC AEL participated in several national webinars to disseminate this information.

Frequently Asked Questions

On March 18, 2020, TWC AEL published the first AEL COVID-19 Response Frequently Asked Questions (FAQ) sheet on the TCALL pandemic resource web page at <https://tcall.tamu.edu/docs/COVID-19FAQ.pdf> to answer provider questions related to topics such as class cancellations; methods for contacting TWC AEL staff; paying staff during the pandemic; distance learning requirements; and performance accountability, as the pandemic interrupted service delivery, including the enrollment of new students. This FAQ is updated frequently and serves as a centralized resource to providers for guidance on serving students at a distance and addressing logistical challenges that providers have

1 encountered during the pandemic. This FAQ is updated to also communicate guidance
2 from the Office of Career, Technical, and Adult Education (OCTAE) related to the
3 pandemic, including guidance found in OCTAE Program Memorandum 20-3: Adult
4 Education and Family Literacy Act and COVID-19—Frequently Asked Questions;
5 OCTAE Program Memorandum 20-4: Adult Education and Family Literacy Act and
6 COVID-19—Frequently Asked Questions, Part 2; and OCTAE Program Memorandum
7 20-5: Adult Education and Family Literacy Act and COVID-19—Frequently Asked
8 Questions, Part 3.

9 **Guidance on Serving New Students at a Distance**

10 On March 27, 2020, TWC AEL published the first version of guidance on serving new
11 students at a distance, available at the AEL pandemic resource web page at
12 <https://tcall.tamu.edu/docs/ServingNewStudentsAtADistance.pdf>. This guidance
13 addresses modifying intake and enrollment procedures for serving Pandemic Affected
14 Staff-Determined Eligible Students (PASES)—students who enroll in the AEL program
15 when brick-and-mortar facilities are closed.

16 TWC AEL staff implemented a Microsoft reporting tool that providers may use to track
17 PASES during the pandemic period, given that these students cannot be tracked in the
18 TEAMS data management system.

19 **Remote Testing**

20 On July 7, 2020, TWC issued AEL Letter 03-20, titled “Remote Testing in Adult
21 Education and Literacy.” This AEL Letter provides guidance on the remote testing
22 options available to grantees. A draft version of this letter was shared with grantees in
23 statewide conference calls with providers held on April 23, 2020, and April 30, 2020, in
24 order to provide immediate guidance for grantees. This guidance addresses the following
25 topics: procedures for enrolling new students without a pretest approved by the National
26 Reporting System (NRS), which would impact federal performance; elements that must
27 be addressed in remote testing procedures; and an emphasis on serving students rather
28 than on concerns about performance reporting.

29 **Assessment Guide**

30 On May 28, 2020, TWC AEL published a draft version of the Program Year 2020–2021
31 Assessment Guide. As of the date of publication, OCTAE had not approved the guide,
32 which is required before official publication. OCTAE notified TWC AEL via email on
33 April 28, 2020, that it was unable to approve such policies at the time because of
34 outstanding issues resulting from the pandemic. In order to provide AEL grantees ample
35 time to review the proposed policy, which does not include remote testing guidance,
36 TWC AEL published the draft version at [https://www.twc.texas.gov/files/agency/ael-
37 assessment-guide-twc.pdf](https://www.twc.texas.gov/files/agency/ael-assessment-guide-twc.pdf).

38
39 On June 9, 2020, OCTAE released guidance on testing exemptions and remote test
40 proctoring via email, allowing states to submit revisions to Program Year 2020 (PY’20)
41 assessment policies to include these additions. TWC AEL submitted a revision to the
42 Assessment Guide that was subsequently approved by OCTAE on July 16, 2020, to

1 include these exemptions, also found in AEL Letter 03-20, and will publish that version
2 on the TWC website.

3 4 **Funding and Expanded Allowable Activities**

5 **NLF**: AEL grantees must be aware of the four items that the Commission approved on April
6 14, 2020, in direct response to AEL grantees’ immediate funding, program, and resource
7 needs resulting from the pandemic:

8 I. **Funds Released to Grantees**: Nearly \$1 million of a performance-based funding
9 holdback was released immediately to grantees for the Category B measure,
10 which is described in [AEL Letter 02-20, Change 1, issued June 4, 2020, and titled](#)
11 [“Program Year 2019–2020 Performance-Based Funding and Performance](#)
12 [Allocation Holdbacks—Update”](#); this letter indicates that these funds must be
13 prioritized for serving participants at a distance.

14 II. **Expansion of Allowable Initiative Activities**: The scope of allowable activities
15 under the Workforce Integration and Follow-Up Activities initiative, first
16 approved on December 17, 2019, and described in AEL Letter 04-20, Change 1,
17 issued August 31, 2020, and titled “Workforce Integration and Follow-Up
18 Activities—Update,” was expanded to support the increases in distance and
19 remote learning resulting from school closures. Contracts for the Workforce
20 Integration and Follow-Up initiative require a monthly report, which is submitted
21 through an online survey, as further described in the Pandemic Reporting for AEL
22 section.

23 III. **Increase of Distance Learning Call Center Capacity**: The existing Student
24 Support Call Center’s capacity of serving 1,000 participants a month was
25 significantly increased with the Commission’s approval of an additional \$240,000
26 (for Appropriation Year 2021 (AY’21)) to serve an estimated 1,800 participants a
27 month. The call center provides 20- to 30-minute sessions of one-on-one virtual
28 math support to AEL participants via phone calls, screen sharing, and virtual
29 whiteboards.

30 IV. **Development of Virtual Learning Resources**: An additional \$500,000 (for
31 AY’21) was approved for TCALL to develop virtual learning resources (20 units
32 in English and 20 in Spanish) in the areas of basic education, digital literacy,
33 workforce preparation, and job search assistance. These resources will be made
34 available for students and may serve as support material for instructors. By June
35 2020, a team of eight AEL subject matter experts had surveyed more than 900
36 AEL field staff members to determine the topics and focus of videos, and a
37 similar team of lesson planners began work on the video content. The first videos
38 are expected to be completed by late fall 2020 and will be made available on the
39 TCALL portal.

40 **Waivers, Extensions, and Exemptions**

41 **NLF**: AEL grantees must be aware of the following waivers, extensions, and exemptions
42 related to changes to service delivery to support grantees during the pandemic period.

1 Updates on deliverable extensions, waivers, and extensions will be made to the TCALL
2 pandemic resource web page and communicated to providers via transmittals.

3 **Restrictions Lifted on Computer Costs**

4 On March 19, 2020, in response to an OCTAE finding from a virtual monitoring review
5 of the 2017 TWC AEL statewide competition, TWC lifted a cost limitation for laptop and
6 computer purchases via AEL Letter 05-20, issued March 19, 2020, and titled
7 “Modifications to Grants Awarded under TWC RFP 320-18-01, Adult Education and
8 Literacy Service Provider Grant.” Previously, TWC had limited grantees to spending no
9 more than 15 percent of their funds for laptops, computers, and similar items. Computing
10 devices that may be purchased may include machines used to acquire, store, analyze,
11 process, and publish data and other information electronically, including accessories (or
12 “peripherals”) for printing, transmitting and receiving, and/or storing electronic
13 information. Examples include, but are not limited to, desktops, laptops, all-in-ones,
14 tablets, and two-in-ones.

15 **Data Validation Extensions**

16 The TEAMS monthly validation for March to June, due on the 15th day of each month,
17 and the Quarter 3 data sign-off deliverables were extended.

18 **Distance Learning Instructor Waivers**

19 TWC AEL waived the requirement for instructors to complete distance learning modules
20 before offering distance learning. This waiver was placed in effect through May 15, 2020.

21 **Professional Development Training**

22 **NLF**: AEL grantees must be aware of the professional development (PD) and technical
23 assistance (TA) made available by TCALL, TWC AEL, and other entities.

24 **Remote Proctoring**

25 On April 13, 2020, OCTAE notified all AEL state programs that the BEST Plus 2.0 test
26 may be administered virtually, as allowed by the test publisher CAL’s guidance. TCALL
27 immediately scheduled training webinars for test administrators of the BEST Plus 2.0 to
28 become certified to conduct remote testing. TCALL trainers conducted two virtual
29 trainings on April 24, 2020, and more than 600 AEL test administrators from local
30 programs became certified to conduct remote testing of the BEST Plus 2.0. Shortly after
31 those trainings, TCALL and TABE test publisher Data Recognition Corp organized
32 virtual trainings on remote testing for TABE administrators on May 1, 2020, and May 5,
33 2020. More than 300 test administrators were trained to administer the TABE 11/12 test
34 virtually. On June 5, 2020, TCALL held a remote testing training for Comprehensive
35 Adult Student Assessment Systems (CASAS) test administrators, and the webinars were
36 recorded and posted in the PD portal. More than 300 CASAS test administrators have
37 been trained to deliver CASAS testing remotely.

38 TCALL continues to offer training opportunities and information on how providers may
39 become certified to conduct remote testing for NRS-approved tests for performance
40 accountability purposes, as outlined in the Texas AEL Assessment Guide for Program
41 Year 2020–2021.

1 **Webinars on Remote Instruction**

2 TCALL hosted the first webinar on options for communicating with students remotely on
3 March 17, 2020, and more webinars on similar topics were subsequently held. Webinars
4 on a variety of remote instruction delivery platforms such as Cisco Webex, Zoom,
5 Google Sites, WhatsApp, and others have been developed and made available on
6 TCALL’s PD portal, with more than 5,000 individuals attending such webinars to date.

7 Midcourse changes have been made to both the Administrator and the Instructor
8 Leadership Excellence Academies to incorporate developments in AEL that are related
9 directly to the pandemic, especially within the groups’ individual and joint projects.

10 Segments on Teacher Tuesday PD webinars have had a central theme of conducting AEL
11 business amidst the pandemic. Topics have included the future of remote instruction.

12 Additionally, the Texas Peer Network Mentor’s virtual conference, Transforming Crisis
13 into Critical Opportunity, held on June 12, 2020, and June 19, 2020, focused on how
14 AEL program administrators and instructors may navigate issues posed by the pandemic,
15 what AEL operations after COVID-19 might look like, and how to prepare.

16 **Reporting on Unplanned Pandemic-Related Expenses**

17 **NLF**: AEL grantees must report by the 24th of each month, or as requested by TWC, on
18 pandemic-related purchases or expenses and respond to open-ended questions related to
19 operations and service delivery for both the AEL core contract grants under RFP 320-18-
20 01 and the Workforce Integration Initiative grant in the reporting templates provided, as
21 follows:

- 22 • The AEL core grant contracts reporting template is available at
23 <https://www.surveymonkey.com/r/AELPandemicDeliverables>.
- 24 • The Workforce Integration Initiative grant contracts reporting template is
25 available at <https://www.surveymonkey.com/r/WIIDeliverables>.

26 AEL Letter 04-20, Change 1, issued August 31, 2020, and titled “Workforce Integration
27 and Follow-Up Activities—*Update*,” provides more information on deliverables and
28 reporting requirements under the Workforce Integration Initiative grant. Reporting
29 templates will be updated and modified as needed to collect information requested by
30 TWC leadership or the US Department of Education. Grantees may direct any questions
31 about these reporting template surveys to AELTA@twc.texas.gov.

32 **INQUIRIES:**

33 Send inquiries regarding this AEL Letter to AELpolicy.clarifications@twc.texas.gov.
